

History of our Club

Thank you for your interest in the Gardeners of the North Shore, a family oriented club for people who like to garden or just enjoy gardens! We began in 1939 as the Men's Garden Club of Highland Park but many years ago changed our name to accurately reflect our membership – anyone living within Chicago's North Shore.

Who Can Join?

Membership is open to anyone over 16 years of age sharing a love of America's favorite outdoor activity, regardless of your level of gardening knowledge. You can be assured you will be welcomed warmly!

Member Benefits

An award-winning monthly online newsletter, *Garden Pants*, friendly gardening advice through our Member Mentoring Program, garden tours, field trips, lectures, refreshments at each meeting, annual potluck picnic and end of year banquet.

Meeting Location

We meet at 7:30 P.M. the first Tuesday of each month, April through November in the beautiful Pullman Room of the Chicago Botanic Garden. Club membership allows free entry to the Garden on meeting nights!

Programs

Our monthly meetings always feature expert speakers on a variety of horticultural topics, often with slide/video presentations or hands-on instruction. Updates on club events and ready advice from other members on just about any gardening subject add zest to each gathering. For our current Calendar of Events, see our website: gardenersofthenorthshore.org or Facebook: **Gardeners of the North Shore**.

Other Events:

Annual juried Garden Show at the Chicago Botanic Garden

Garden Walk of member gardens

Club's Purpose

Our main objectives are to stimulate an interest and increase knowledge of gardening, and share experiences and promote civic pride in both public and private gardens. Our Annual Garden Show at the Chicago Botanic Garden every August is open free to the public as an educational tool and outreach to anyone interested in this wonderful outdoor, and indoor, activity.
