President's Message

Thanks to all that made this last year memorable. Many members spent a lot of time, and energy to keep our club vibrant.

We are working on 2020 programming. If you have any speakers that would interest the group please let us know. Also, recall that we will be having our meetings in the Lakeside room of the Visitor's center (easy for prospective members to find.)

Remember, "Flowers always make people better, happier, and more helpful; they are sunshine, food, and medicine for the soul." (Luther Burbank 1849-1946)

Be patient spring starts on Friday March 20, 2020 (79 days.)

David
